

Wheels of Glory!

Ever Higher

1. Breathe on Me

By J Whiting & Anne Whiting

Breathe on me, Breath of God
Fill me with Your teeming life so I would love
What You my Lord so love

Transform me, power of God
Till my heart's pure,
Till my will is one with Yours
To do and to endure

*Breathe on me. Oh Holy Spirit, let me near it
Transform me. Oh Jesus Christ, give me Life
Breathe Your Life on me*

Breathe on me, Breath of God
Till I'm wholly Yours, till every part of me
Glows with Your fiery sheen

Speak to me voice of God
Burn Your fire inside of me until You find
You are my one desire

*Breathe on me. Oh Holy Spirit, let me near it
Speak to me. Oh Jesus Christ, give me Life
Breathe Your fire on me (2x)*

Shine on me, Glory's Light
Radiate Your fragrant luminosity
Till Light reflects from me

Your fragrant scent
That comes from Your embrace
Which You share
With those who seek Your face

*Breathe on me. Oh Holy Spirit, let me near it
Speak to me. Oh Jesus Christ, give me Life
Breathe Your Breath on me (3x)*

2. Great is Your Love

By Anne Whiting & J Whiting

Who am I
And who is my family
That You would have brought us this far?

Touched by Your grace
Awed by Your mercies
Chosen and blessed by Your love

*Great is Your love
Great is Your love
Great is Your Love over me
Great is Your love*

Your banner of love
Great is Your love over me

Fairest of all
The breath that sustains me
Prince of my peace and my God

Chorus 2x

3. You Filled My Heart with Laughter

By Anne Whiting & Joy Whiting

The day You came into my life
You filled my heart with laughter
Said that ever after
You'd be with me

Your laugh was irresistible
It drew me to Yourself
Brought me to Your well
Of endless peace

'Cause when You chased the clouds away
A joy filled my life
Like the sun breaking through
There'll be no more night

*You filled my heart with laughter
When You filled my soul with You
Every day I realize Your mercies are new
You keep this joy alive in me
Through You it could only be
You fill my heart with laughter
As You laugh with me*

Repeat pre-chorus and chorus

You fill my heart with laughter
As You laugh with me (2x)

4. Gotta Go

By Anne Whiting

You gave me love and Your grace
The day we first met
You gave me visions and wisdom
Ever since

This is just a taste
And a taste is good
But Lord, I can't seem to get
Enough of You

*Gotta go higher, gotta go deeper
Gotta go farther in You*

Gotta go deeper, can't stay no longer
Lord, I'm desperate for You
I've got no instructions
No excuses, no explanations

*I just want more: gotta get closer
Gotta go deeper, gotta go higher*

I feel Your love grow stronger
Each day that goes by
And Your presence just gets sweeter
As You show me Your light
The more I see
My hunger grows
'Cause Lord, I can't seem to get
Enough of You

Chorus 2x

5. Deep Inside

By Anne Whiting

I held onto Your words
I claimed Your promises
I followed them with all my passion
But it looks like You've forgotten
In the dark forsaken
All my hopes flee, gone in the wind
But I know, yes I know
You far too well (2x)

*But I know that deep within
And I know deep inside
There's a flame burning bright
And I know You love me deep inside*

Though I can't feel Your touch
And darkness hides Your face
I know that You are near to me
I know You will sustain me
And though it seems You've dropped me
In the darkness I say, "I believe!"

'Cause I know, 'cause I know
You far too well (2x)

*'Cause I know that deep within
And I know deep inside
There's a flame burning bright
And I know You love me deep inside*

*Yes, I know that deep within
And I know deep inside
There's a flame burning bright
And I know You love me deep inside*

Yes, I know You love me deep inside

6. You were in Love (with Me)

By J Whiting & Anne Whiting

Long before there were tides upon the oceans
Long before You put birds in the trees
Even then You planned my every heartbeat
'Cause You were in love with me

Love so strong it beat death
To win my life and
Love so grand it encompassed all my grief
Even when I dared not trust Your promises
You were in love with me

You came and brought me
To Your healing grace
Made a new creature out of me
Seated in the heavenlies, Your presence came
With love's victory

*Draw me close, ever deeper in Your love
I am Yours, Your desire is for me,
The fragrance of Your presence
Intoxicating me*

*You were in love with me
You are in love with me*

You gave me love
when I was filled with pain
Raised me up to be Your radiant bride
Tenderly romanced, You left my heart
Conquered by Your eyes

Chorus

You were in love with me
You are in love with me

And I am in love with You

7. I Can Feel You

By Anne Whiting, J Whiting & Benjamin Whiting

Can't see the air but I can feel my breath
Can't see my heart
But I can feel it beat in my chest
Can't see the wind
But I can see where it's been
Can't see You but I know
That You are and have always been
Always been

'Cause I can feel You, see You
In all Your tender mercies given day by day
Hear You, know You
As You come in closer with me all the way
And I know it's true and I believe

*That You will always care for me
And I know it's true and I believe
That You are always there for me*

Can't see molecules
But I can see what they've made
Can't see water in the clouds
But I can see when it rains
Can't touch a rainbow joining sky to land
Can't touch You but I know
That You hold me in Your hand
In Your hand

Chorus

Some things I can't see
Some things I don't know
Some things I can't understand
But one thing I know
That will always be true
Is that Jesus, You are Lord of all

Chorus

8. His Banner

By Anne Whiting & J Whiting

Someday I'll walk the streets of Glory
And I'll see my Savior's face before me
The cherubim and seraphim
The Elders cry out "Glory"

Why wait another year or forty
When I can see His face today in Glory
I feel the joy of heaven's drumbeat
I can see His smile lookin' down upon me

When I heard, I heard my Savior call me
And I said, "Here am I, Lord, send me"
I didn't see that He'd be sending me
To the banquet that He gave me (Repeat)

*Oh, His banner over me is love
Yes, His banner over me is love
He's here with me to stay
And I'm singing every day
That His banner over me is love
His banner over me is love
And I'm feasting at His table above*

I didn't see that He'd be sending me
To His banquet way up high
A step of faith on the promise He made
And a dream to come alive

Chorus

His banner over me is love

10. Breathe on Me Reprise

By J Whiting & Anne Whiting

See 'Breathe on Me' Lyrics

9. Child Lie Down Your Head

By Anne Whiting

Child, lie down your head
Child, lie down to rest
For it is Jesus Who gives you sleep
And Jesus watches over you
With songs of peace

*Let the glory of the Lord
Surround the sleepers
And all your dreams will be sweet
Let the glory of the Lord
Surround the sleepers
And you will sleep in peace*

Repeat from beginning

In the arms of love
He'll hold you close
And never, never
Never let you go

Chorus

11. Song of the Priest

By Anne Whiting from Numbers 6:24-26

The Lord bless you
And keep you
Make His face to shine upon you (2x)

And give you peace (2x)

Amen (Amen)(2x)

Amen
